**Shree Suktam**, a hymn from the Vedas, is an invocation of Goddess Lakshmi. *Shree* literally means wealth and *Sukta* means a song in praise. Accordingly, Shree Suktam is a hymn sung in praise of Goddess Lakshmi. It surely enhances our material wealth, which is important for life but also includes augmentation of progressive thoughts, meritorious actions and commendable glory. If chanted with correct pronunciation and thorough understanding of its meaning, it is an extremely potent medium of seeking Goddess Lakshmi's blessings.

Pujyashree Bhupendrabhai Pandya, our very own scholarly saint who has been enlightening us on various topics since many years, has agreed to bless us once again. He is coming to Harrisburg with an absolutely novel subject – Shree Suktam. His authoritative knowledge on our scriptures and lucid narrating style attracts the youth, intellectuals and seekers world over.

On July 8<sup>th</sup> and 9<sup>th</sup>, he will shed light on the social and spiritual interpretation of the hymn and on July 10<sup>th</sup>, we will perform Shree Yagnya in Pujyashree Bhai's holy presence.

**All devotees are welcome to make the best of this unique opportunity and enrich their lives.**
